There were some 15 conversions during the meeting and 8 additions to the church. Not only that, but the membership was greatly revived and strengthened in christian faith. The pastor, Rev. T. A. Scarce was also one of the earnest workers in the meeting.

The Matanzas, the Cave Dwellers - Tunisia, Africa.

One of the strangest of capital cities is that of the troglodytes, or Matanzas, the cave dwellers of Tunisia, Africa. It contains about 3,000 inhabitants, and the principle of its architecture is to dig into the earth rather than to build upon it. These troglodytes are to be found between the town of Gabes, on the Tunisian coast, and the sand hills of the Sahara. The country is a high, rocky plateau, barren, sun baked and swept by the sirocco. When a Matanza wants a new dwelling he chooses his spot, traces a circle and then digs until he has reached the desired depth, which varies according to the number of stories he requires.

The rooms consist of caves hollowed out in the sides of the circular pit, the bottom of which forms a patio, or courtyard, which is the usual feature of a Moorish house. Besides the rooms, a passage is also dug, communicating with the outside world, and a door is made at the outer end.

The soil, which is a kind of malleable clay, is easily cut and lends itself well to excavation, the roof of each room requiring no support as long as it is arched. These underground dwellings are not damp—Chicago News.

HANDICAPPED.

This is the Case With Many Bryan People.

Too many Bryan citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cures them permanently. Can

you doubt Bryan's evidence?

Mrs. S. E. Beard, Bryan, Texas. Says: "Four years ago I learned of the value of Doan's Kidney Pills in cases of kidney trouble. At that time I was bothered with irregular passages of the kidney secretions and was compelled to seek relief. Doan's Kidney Pills, procured at Emmel & Maloney's drug store came to my aid and proved their superiority over all other kidney remedies I had tried by disposing of my trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for United States.

Remember the name—Doan's—and take no other.
